Favorite vehicle of all time: Probably my Blazer

If money was no object what would you drive offroad? My Blazer because my son built it for us! Maybe something smaller also to use around here on the easy but narrow trails.

Same question but on the road? My Yamaha Royal Star Venture!

Favorite trail? Steel Binder was a good trail to begin with in Moab, not too tough but interesting. Klondike Bluffs for beauty.

Trail or trails that you would like to run sometime? All the trails in the Moab and Cedar Canyon area.

What other things do you like to do? Tour on my motorcycle, fish, hunt, and target practice.

Future goals: Want to ride my motorcycle from Point Barrow Alaska to Mexico City. Ride to Daytona again for bike week, and ride to The Wall in D.C. Spend a lot of time in Moab, Utah learning all the trails.

If you could be anything in life what would you be? RETIRED!!
