

June 24, 2009 Montana Back Roads Club Meeting

The meeting was conducted by Vice President Jeff MacGill

In attendance were Jeff, Bruce Erickson, Steve Knutsen and Brittany, the Evelo family, Pete Elmer, Rachel Maxwell, and Larry Garrison, with guests Dan Simes and friend, Rae McKay, Dick Riebe, and John and Donna Ayres.

The club needs a treasurer and there were no volunteers. The club also needs a post office box and a bank account.

After the August meeting, the club will need a new meeting place as Montana Club is turning their banquet room into a lounge and will no longer be available.

Dick Riebe told us about himself and the Montana 4X4 Association and volunteered to be the District Representative once he becomes a club member. Jeff will send out info in email to members for vote regarding Dick's upcoming membership.

There was discussion of trips to come and there is one in the Bitterroot, The Divide Ride and Wild Bill Trail. Also Willie and Jeanne Worthy are going out on Wednesdays and one of the weekend days, call 726-4126 or email williesjeep@blackfoot.net if you're interested.

At The Divide Ride there will be a state association meeting and Curtis Evelo will be presenting our club for membership.

It was brought up by 2 different people that club member participation is extremely important.
