

Required Safety Equipment List

Public Lands

Equipment required on public land varies by season, activity, and fire danger. To comply with all required equipment, please read:

<http://dnrc.mt.gov/forestry/fire/Prevention/Documents/rulesregs.pdf>

Montana Back Roads 4x4 Club Required Equipment

- Roll bar, full cage or factory hard top
- Spare tire
- Jack – able to lift your vehicle – Handyman is recommended because it can be used for other things than changing a tire.
- Lug wrench
- Working parking brake
- First Aid kit
- Fire extinguisher
- Seat belts or harness for driver and all passengers
- Front and rear attachment points (not a tow ball)
- Battery hold down – bungee cords not acceptable
- Tow strap
- Basic tools that fit your vehicle – SAE, Metric, or both
- Trash bag

To make club trips more enjoyable and safe, the club uses CB channel 4 to communicate things of interest, hazards, and vehicle problems.
